

SG73 Global Momentum Tracker Certificate

5-year GBP investment linked to SGI Global Momentum Index, offering 1-for-1 exposure to the performance of the Momentum Index.

Investment objective:

To track the performance of the SGI Global Momentum index with 1-for-1 exposure (i.e. with no leverage) with protection from currency fluctuations.

■ The **SG73 Global Momentum Tracker Certificate** is a London Stock Exchange traded instrument, issued by Société Générale, with the following characteristics:

- ▶ £1,000 issue price
- ▶ 100% exposure to performance of the SGI Global Momentum Index
- ▶ No FX risk
- ▶ No stamp duty payable

■ Why invest in the Global Momentum Tracker Certificate?

The product provides an opportunity to track the performance of the SGI Global Momentum Index. The index comprises 10 exchange traded funds in diversified assets including developed market equities, emerging equities, listed private equity, bonds and commodities. The 5 best performing funds represent the components of the index. For more information on the Index, please visit: www.sgindex.com

■ Payout

If held to expiry, the payoff is linked to the performance of the SGI Global Momentum Index. If the Index level has risen from the initial reference level, the payoff of the product will rise accordingly allowing for Management Fees. If the Index level has fallen from the initial reference level, the payoff of the product will decrease accordingly allowing for Management Fees. The product is hedged in GBP so, although the base currency of the underlying index is EUR, investors are protected from currency fluctuations.

■ Pricing & Trading

The value of the Certificate will be maintained on the London Stock Exchange in real time, with a 1% bid/ask spread. It can be bought or sold at any time throughout the trading day and the minimum trade size is one Certificate. No stamp duty is payable.

■ Eligibility

The Certificate can be held as a direct investment or in a SIPP (but not an ISA). It can also be held by UCITS funds. Please seek independent advice before investing in this product.

Important information

The contents of this document are given for purely indicative purposes and have no contractual value. Prior to any investment in the product, you should make your own appraisal of the risks from a legal, tax and accounting perspective, without relying exclusively on the information with which you were provided, by consulting, if you deem it necessary, your own advisors in these matters or any other professional advisors.

Subject to compliance with legal and regulatory requirements, Société Générale may not be held responsible for the financial or other consequences that may arise from the investment in this product. This product may be subject to restrictions with regard to certain persons or in certain countries under national regulations applicable to said persons or in said countries. It is your responsibility to ensure that you are authorised to invest in this product.

Where this product is based on an Index, the Index provider will have no liability to you in respect of its activities in respect of that Index.

The documents relating to this product will provide for methods of adjustment or substitution in order to take into account the consequences on this product of extraordinary events which may affect one or several of the underlying instruments on which it is based or, as the case may be, the early termination of this product. This document does not constitute an offer for sale of securities in the United States. The securities can be neither offered nor transferred in the United States of America without being registered or being exempted from registration under the US Securities Act 1933, as amended.

The attention of investors is drawn to the fact that, by the maturity date, the price of certain products can be subject to an important volatility due to the evolution of market parameters and more precisely the price of the underlying instrument and the interest rates.

The potential return may also be reduced by the effect of commissions, fees or other charges.

The accuracy, completeness or relevance of the information provided is not guaranteed although it has been drawn from sources believed to be reliable. The information presented in this document is based on market data at a given moment and may change from time to time.
